Parkman Halloween Party 2016

Special thanks to all who participated with our annual Parkman Indoor Halloween Trick or Treat party. For the last few years, our Parkman Chamber of Commerce has been hosting this event to help bring a safer way for our youth to Trick or Treat. This event has evolved with games, music and treats from many local neighbors who team up to support this community based activity. Thank you all for helping with this event!

Parkman Chamber of Commerce

From: Denise Villers

Annual Pancakes and Sausage Breakfasts (This will be the 50th year!) March 5th – 12th – 19th – 26th

We depend on all you wonderful volunteers to make this fund-raiser successful. Please contact Denise Villers (phone: 440/548-2939 or e-mail: villers_3622@windstream.net) with dates that you can work. We offer on-the-job training in all positions. A few jobs require you to be at least 18 years old (and many of us are WAY over that age) but teens are more than welcome to volunteer their time and work in the dining room or behind the scene in the kitchen. We have a wide variety of jobs to fill. Each Sunday is divided into two shifts: 9:00 to 11:30 and 11:30 to 2:00 (with some that start earlier and others that stay later for clean-up afterwards).

The annual **Easter Egg Hunt** (11 a.m. at Overlook Park) will be Saturday, April 15th for our Parkman residents (toddlers through 6th graders). The kids will gather candy-filled eggs. Each child also receives a numbered egg that corresponds with a prize just for them!

There will **NOT** be a **Community Picnic** this year.

We're looking for some community-minded folks to get involved in Parkman activities. The officers of the Parkman Chamber of Commerce are not going to be able to continue these activities if more people aren't willing to help us out. We sometimes get discouraged by the seeming lack of interest in our hometown. Do we fade into non-existence like so many other small-town groups? We have a small group of loyal helpers that volunteer at our Pancake Breakfast, but we haven't had any "new blood" join us for a quite a while. We need YOU to get involved in YOUR community! If you would like to help with planning or executing any of our events, call us or come to a meeting. Our officers can only do so much on their own and we need YOU!

Please consider volunteering for your community!

2017 Calendar of Chamber's Events:

- March 5th (9am– 2pm) Pancakes & Sausage Breakfast at Parkman Comm. House**
- March 12th (9am– 2pm) Pancakes & Sausage Breakfast at Parkman Comm. House**
- March 19th (9am– 2pm) Pancakes & Sausage Breakfast at Parkman Comm. House**
- March 26th (9am– 2pm) Pancakes & Sausage Breakfast at Parkman Comm. House**
- April 15th (11 am) Easter Egg Hunt at Overlook Park**
- May 30th (9 am) Memorial Day Parade (begins at Overlook Cemetery)**
- (to be determined) Halloween – Indoor Trick-or-Treat / Party at Comm. House**
- Dec. 2nd (8:30 -10 am) Breakfast with Santa at Parkman Community House**

If you would like to help with planning or executing any of these events, call us.

As always, everyone is welcome to join the Parkman Chamber of Commerce (not just business owners – we're more of a community group).

We will be meeting on the **3rd Mondays** of **February, April, September and November** at **7:00 pm** at the **Community House**.

Parkman Trustee Notes

From: Roger Anderson

Spring is on the rise and winter is still here and we are following one of the hottest summers on record. As many of you are aware we are having a very difficult time maintaining consistency of our roads with the freezing, thawing and raining etc. In January most of the gravel roads turned to muck. We had some equipment down time with no replaceable parts available and had to try to salvage the 25 year old parts. By the time this is printed I hope we have frozen maintainable roads. We are still looking into the best solution for these roads and are finding many conditions in need of attention. Some of our road beds have more than a foot thick layer of crushed limestone residue (mainly dust) which are not able to support any top surface that will hold up, this is the reason we are getting so many potholes. That being said we are looking into various approaches to resolve these problems. We are formulating a ten year plan that is budget worthy and reasonable. Please be patient and we will keep you posted as this develops. We are planning to do repairs on Stagecoach and Forge Hill roads in the spring. We are attempting to share some resources with Trumbull County Engineers to aid in cost reduction for this project. We are also looking at repaving Grove in 2018 if a grant can be obtained from the state.

Our Fire Department has been working diligently with Troy and also W. Farmington to begin a blending process to help maintain a quick response to all in need. They are now toned out for all calls in Troy and Fire calls in W. Farmington. Due to this blending 2016 ended with 531 calls for our responders. We have added to our resources by some of our people receiving additional training for EMT, and Paramedic; and have attracted some new members to help with staffing. We can always use additional help, if you have any interest stop by or call 548-2515. We supply the gear and help with the training.

We plan to continue our off-site meetings and will announce these in advance. Everyone is welcome at any meeting and we hope to see you at one or more to get an opportunity to provide firsthand information and receive your input. We are looking for a Cemetery Sextant to replace Dale Komandt, he wants to retire, please contact Dennis Ikeler or any trustee if you have an interest in this.

The sign in Overlook Park was vandalized this fall and we have a new one ordered. The park is provided to residents for use free of charge and it is a shame people feel the need to destroy the property adding additional cost to our budget.

Scrap and Tire Recycling Day

Saturday June 17, 8:00 AM Till 12:00 Noon

Once Again we will be having a Scrap and Tire recycling at Parkman Community House from 8AM till 12 Noon in an effort to continue the clean-up of Parkman Township.

for more info call Monique at 216-337-2104 or parkmanpack76@gmail.com

Please see our web site at www.pack4076.org for up to date activities
and don't forget Facebook: <https://www.facebook.com/parkmanpack4076>.

Special Thanks to everyone who supported our annual Pack 4060 Spaghetti Dinner and Chinese Auction Fund Raiser on January 27th, 2017 at the Parkman Community House. It is the packs largest fundraiser—sustaining the group throughout the year. Your generosity was most appreciated.

The Pack 4076 has been busy this past fall - in October we had several hikes and enjoyed a Halloween party. In November we enjoyed a sleepover at the Cleveland Aquarium and learned about the aquatic life there. In January, we made kites and wooden tool boxes.

Pack 4076 will be active this Spring 2017. The Pack will have a “Chickagami Sleep In” at the Chickagami Cabins early March, then later that month they will test their skills with Archery at Geauga Bow. In April the Pack will go to the Kendall Cliffs for some Rock Climbing. In May, the Pack will decorate the graves of Veterans at the Parkman Overlook

If you have any questions about the plant swap, or if you would like to be included on the plant swap email list, please send an email to Jane Zajackowski at: janezaj@windstream.net

Parkman 55 Plus Club

Please join us and share a delicious potluck lunch and fellowship. We meet at the Parkman Community House on the 1st Thursday of every month at 11:30am.

On the Cover 50 YEARS

Bill Snyder is serving pancakes to Jim and Bea Everett. They are part of the original team who started our annual tradition.

No single photo can cover the past 50 years, so this photo (though not from the original breakfast) was chosen by the Parkman Chamber to symbolize the spirit that represents this traditional heritage and salute all of our community volunteers that have supported this event.

This event requires the ambition of many, including those involved with the organization of volunteers and supplies, those who take the time to set up the dining area, greeting area and kitchen at the community house for the event, those who get up early for the food prep, those who serve the drinks and meals, and finally those who wash all the dishes. We also

Parkman Green Address Signs

with the reflective 4 inch lettering (visually standardizing each Parkman street address) allowing our **Parkman Fire and Rescue Volunteers** to easily find your address during the fast pace response of emergencies.

Contact a Parkman Fire Volunteer if you need your address sign updated!

Special Thanks to all who have already supported this community effort!

Parkman Volunteer Fire & Rescue

From: Chief Mike Komandt

In 2016, Parkman Fire Department responded to 505 calls for service, this includes responding mutual to areas as far away as Bloomfield.

We secured a Federal Grant of over \$21,000 for new fire hoses and nozzles to go on the hoses, a State of Ohio Department of EMS Grant in the amount of \$2,500 for EMS Training and supplies, and also acquired a Regional State Grant with Troy in the amount of \$140,000 to replace 16 sets of firefighter protective gear and both departments' hydraulic extrication gear, better known as 'jaws of life'. In total, the nearly \$165,000 dollars will, or has, replaced outdated and under powered equipment to better serve the citizens and visitors of Parkman and Troy Townships along with neighboring departments as well.

As we begin 2017 Parkman Fire will continue blending our operations with Troy Fire Department. This will continue to be a top priority throughout the next few years as blending topics are finalized with Troy's New Fire Chief Eric Mathews.

This winters' milder temps has kept the number of Chimney fires to a minimum. Please remember to clean your chimney on a regular basis if you burn wood in any type of appliance on a regular basis. Smoke detectors and CO detectors do Save Lives. These are quite cheap to purchase considering the life saving potential these detectors bring with them.

Parkman Fire Department is always looking for training opportunities like Cars for extrication trainings allowing us practice new and more efficient techniques of gaining access to trapped patients in the event of vehicle crashes, and buildings that are capable of allowing us to practice new techniques of searching for victims in the event of fire, and even training to rescue ourselves in the event that one of our own needs rescue. Buildings are the hardest thing to come by, and sometimes can be burnt for training purposes, and are nearly invaluable to the Fire department. Feel free to contact the fire department with any questions.

From: Matt Urie, EMS Officer

I am excited to help with Parkman Fire in 2017 and beyond. Taking over the EMS officers' position is a great honor, and I am excited to do so. With being in Fire and EMS for 12 years, I feel that I can help Parkman Fire achieve a standard of care that is beyond what our community ever anticipated. In 2016, Parkman Fire has had three new employees achieve the certification of paramedic, three current employees obtained EMTs, and this number will continue to grow as two more members are starting paramedic education in the spring. This allows us to provide our residents with the highest level of EMS care possible. With our mutual aid partners in Troy and Middlefield in Geauga County we can also help those communities in their times of need if called upon. I hope that when you have to call 911 in an emergency, you can be comforted in knowing that the best trained and professional EMTs and Paramedics will be tending to your emergency.

We have some plans to upgrade some of our EMS equipment with help from grant monies from the State of Ohio. This helps decrease our operating budgets and help us stay current with the best and most up to date equipment.

If you have any concerns, questions or feedback positive or negative, please feel free to
